i can make it.

On Tue, Feb 12, 2019 at 9:45 AM Nordine, John <nordine.john@epa.gov> wrote:

Hi Bob,

I talked with Jack today. He says Techalloy is planing on drilling the EW-2 monitoring well on February 22, 2019. He will send us a work plan for the pump test later this week. Can you make it out there? Three wells at 10, 50, and 200 feet from EW-2. Any questions?

Respectfully,
